To

Secretary to the Government of Mysore,
Law Department, BANGALORE

Sir

Subject Formation of an out-skirt road in Mandya Town

In continuation of my letter of even number dated 6-10-1941 on the above subject recommending for a grant of Rs 4000/- for the metalling the deviation road, I have the honour to enclose for favour of information a copy of the Dewan's Minute No S N 245 dated 12-5-42 received from the Private Secretary to the Dewan containing instructions for the grant of Rs 2000/- for the "Couhour Road out of "38 K R S " Funds

In my letter referred to above, the necessity for the formation of the road has been clearly stated and it is needless for me to press the matter In order to divert the heavy sugar-cane traffic, it is entirely necessary to form this road The Municipality has already spent its quota and a macadamised road has been formed and the metelling and other works are under progress The Sugar Company have promised to pay Rs 4000/- on condition that Government pays an equal sum Since the Dewan has issued instructions to the Secretary, P W D to give a grant of Rs 2000/- only out of K R S Funds, the Sugar Company would also give only a grant of Rs 2000/- With Rs 4000/- the works cannot be completed and the work already done by the Municipality would go to waste if it is not completed early Municipality with its various heavy commitments cannot afford to spend more All these facts have been brought to the kind notice of the Minister for Local Self Government at the time of the District

Conference

In the circumstances, I recommend that the balance of the amount of Rs 2000/- may be met out of the Town Improvement grant for 1942-1943 I have issued instructions to the President, Municipal Council, Mandya to continue the metalling of the road so that the other works in connection with the road mentioned in his report No H C 137/41-42 dated 21-5-42 (copy enclosed) may be taken up later on

I request you to obtain sanction of Government for additional grant of Rs 2000/- ~~apart from~~ out of the town improvement grant ~~and~~ apart from the sum of Rs 2000/- to be met out of "38 K R S " Funds as instructed by the Dewan

I have the honour to be,

Sir
